

Friedensreich Hundertwasser: Artist's Rollerball Pen after (725) The Blob Grows in a Flower Pot

€44.00

Product no.: IN-948788

This Hundertwasser rollerball pen inspired by Hundertwasser's work "The Blob Grows in a Flower Pot" (Oeuvre 725) offers a smart alternative to a fountain pen, allowing effortless writing with a clean typeface thanks to an ingenious ink flow system. The use of standard cartridges enables easy replacement or refilling of the ink, ensuring that the rollerball pen is a durable and environmentally friendly product. The sophisticated combination of metal and injection-moulded components results in a comfortable weight of 21g, evenly distributed for easy writing. The combination of an elaborate screen printing process, matt black metal components and gloss effects creates a unique design. Length 13.4 cm, Ø 1.5 cm. Shipped in high-quality gift packaging. Made in Germany.
