

## Sculpture "Poseidon"

**€560.00**

**Product no.: IN-029189**

The sea god stands tall in a proud, powerful and at the same time relaxed counterpoise pose, holding his trident with which he is able to stir up the tides and shake the earth.

Original: State Collection of Classical Antiquities and Glyptothek, Munich. Greek, restored condition, 2nd century BC.

Finely patinated cast metal, height with pedestal 27 cm.
