Product no.: IN-782526.R1

The painting "928 Antipode King" was one of Hundertwasser's favourite paintings. The term "antipode" originates from the Greek and literally means "with feet opposite (ours)". Geographically, antipodes refer to the inhabitants of two places that are exactly opposite each other on the globe; philosophically, they mean the representatives of two diametrically opposed points of view.

High-quality reproduction in 8 colours with additional metal-foil embossing in 3 shades. The picture was reproduced as a mirror image compared to the original. Framed in a silver-coloured solid wood frame. Size 82 x 100 cm. Hundertwasser (1928-2000). (928) Antipode King © 2014 by Namida AG, Glarus / Switzerland. Printed in Germany.
