

Sculpture "Bastet with Earring", cast metal/stone

€428.00

Product no.: IN-057210

The cat - a symbol of an Egyptian goddess. The state goddess Bastet represented the life-sustaining power of the sun to the pharaohs and was regarded as the protector of mankind. According to the cult, she wore a cat's head, and eventually she elected a cat as her sacred animal.

Original: British Museum, London. Egypt, 6th century BC.

Finely patinated cast metal, height with pedestal 18 cm.
