Astrology à la Pop Art: Tom's funny and colourful zodiac signs.

The quirky art objects from the workshop of Thomas ("Tom") Hoffmann are pure individualism: they deliberately break rigid everyday rules and spread good humour. And because every human being has his or her destiny, Tom's zodiac signs are highly individual creatures: a scorpion has only rarely stretched its sting more gracefully and vital, and a lion has only seldom shown its golden mane more proudly. "Stay as you are!" the "Zodiacs" shout to the viewer, "and be it with pride!"

Sculpture hand cast in artificial marble and intricately hand-painted. Height 20 cm.
