

Peter Häring: Picture portfolio "Seasons", unframed

€330.00

Product no.: IN-749653.00

The graphics of Peter Häring (1953-2011) are captivating because of the perfect but also unmistakable technique. As a trained lithographer, he knew how to implement very precise craft basics and how to deal with the possibilities that presented themselves. The lithographs were created with very fine drawing techniques. To achieve the desired effects, the artist often used between 12 and 15 stones.

Four lithographs "Spring", "Summer", "Autumn" and "Winter" in linen portfolio, printed from nine stones. Edition of 100 copies, each sheet numbered and signed. Unframed. Motif size each 14.7 x 23 cm. Sheet size each 21.5 x 30 cm.
