

Jewellery set "Golden Bowl"

€368.00

Product no.: IN-948240

The bowl-shaped elements of the pendant and earrings capture the light and reflect it, sometimes warm golden, sometimes cool silver, sometimes mysteriously dark - almost like the sun, the moon and the night. This extraordinary jewellery set can be combined very well.

Made from 925 sterling silver with gold-plated and oxidised elements. Necklace: stainless steel wire, length 45 cm, with bayonet catch. Earrings: size 3.3 x 1 cm (h/w) each.

The jewellery set includes a necklace and earrings.
