€590.00

Product no.: IN-875694

Olivier Lacour produces picture compositions that give old buildings and ruins a new splendour. They gain their charm precisely from the fact that their image not only depicts the object but the history inscribed in it. These are "narrative" pictures which receive their perfect attention to detail and maximum colour effect through elaborate printing on Alu-Dibond.

High-quality reproduction on Alu-Dibond behind 3 mm thick acrylic glass, with stable suspension. Size 120 x 80 cm (h/w).

Alu-Dibond for a modern and elegant presentation:

UV-resistant print, brilliant colours in high-resolution display, glossy finish thanks to protective lacquer, 3 mm aluminium composite panel in three layers. Due to the smooth surface, mirror effects may occur depending on the incidence of light.
