

## Bust of Susanna, cast

€480.00

**Product no.:** IN-307640

She was an ideal of beauty in antiquity: her beauty almost became the undoing of the biblical figure of the virtuous Susanna; only her faith in justice and the intervention of King Daniel saved her from worse.

Original: British Museum, London. Roman.

Polymer ars mundi museum replica, cast by hand, height approx. 31 cm.
