**€228.00**

**Product no.: IN-942595**

This exclusive pearl necklace honours the beauty of asymmetrical shapes. When light shines on the baroque pearls, a sophisticated shimmer emerges, wonderfully complemented by the brushed surfaces of the intermediate elements.

Made of exquisite freshwater baroque pearls and 925 sterling silver with fine gold plating. Size pearls length from 1.5 cm to 3 cm. Due to the necklace's total length of approx. 100 cm, it can be worn in single or double rows. With lobster clasp in fine gold-plated silver.
