

Shen Lin: Picture "Vase", framed

€250.00

Product no.: IN-711941.R1

The young artist Shen Lin is intensively engaged with the heritage of her Chinese homeland. Her accomplished technique is Western (oil on canvas), but she draws her motifs from the vast repository of Chinese art and cultural history. Her series of Chinese porcelain are individually produced unique pieces; they may therefore vary slightly in shape, colour and size from the illustration.

The vases are the artistic epitome of the Ming dynasty (1368-1644). They are elegantly and discreetly framed in a deep black lacquer frame with a shadow gap. Size 43 x 33 cm (h/w).
