

## Ralf Bergner: Picture "Conductor in Distress", unframed

**€230.00**

**Product no.: IN-750869.00**

Subtle irony meets brilliant sharpness - Bergner's work is about humans, about what makes us human-like. Like here with this conductor. At a concert, things are not always as they seem. Sometimes the striving conductor gets caught between two fronts: an inattentive audience on the one hand and bad-tempered musicians on the other.

Colourful Fine Art Giclée print on handmade paper. Limited edition of 199 copies, numbered and signed by the artist. Unframed. Sheet size 30 x 40 cm (h/w). ars mundi Exclusive Edition.
