

Ointment Jar of Tutankhamun

€980.00

Product no.: IN-256751

The ornate double vessel is modelled after pharaonic cartouches and was most likely designed especially for the royal household in the afterlife. The inscriptions promised the king a long life - and the contents eternal beauty.

Original: Egyptian Museum, Cairo. Treasure of Tutankhamun. The New Kingdom, 18th Dynasty, c. 1335 BC.

Polymer museum replica, hand-painted and gilded. Size 10 x 17 x 6 cm.
