

Ulrich Perathoner: "Holy Family" - from "Comet Nativity"

€138.00

Product no.: IN-727198

Christmas craftsmanship created by a master hand: The "Comet Nativity" is a beautiful nativity scene from the workshop of master sculptor Ulrich Perathoner. Perathoner uses only fine sycamore maple woods that have been air-dried for years for his carved nativity scenes and figurines, which are hand-painted with light oil paints.

Three nativity figures from the complete set:

Height: Joseph 12.5 cm, Mary 8 cm, baby Jesus 3 cm (two-piece).

The set includes all three figurines.
