

Piero del Pollaiuolo: Picture "Portrait of a Young Woman" (1460), framed

€398.00

Product no.: IN-745133

For many years, the painting was attributed to Antonio del Pollaiuolo, Piero's older brother. Piero worked in his brother Antonio's famous goldsmith's workshop but specialised in painting. His father was also a goldsmith. This environment produced a love of detail and the ability to depict this precisely.

Original: 1460, Tempera on poplar wood. Gemäldegalerie, National Museums in Berlin.
