

## Garden sculpture "Sea Eagle" (version without column)

**€1,880.00**

**Product no.: IN-824405**

Very naturalistically depicted young bronze eagle with very finely drawn wings approaching prey. It can be mounted on a stone using threaded holes and threaded pins. This bronze figure is finely hand-cast using the Lost-Wax-Process, weatherproof and winterproof. Size 50 x 80 cm (h/w). Weight approx. 11 kg. Version without column.
