

Volker Kühn: 3D picture "Being Over the Hump", framed

€350.00

Product no.: IN-943922

With his three-dimensional works, the artist conveys good-humoured "life impulses": With a wink, he transforms meditative, motivational and humorous quotations, aphorisms and worldly pearls of wisdom into cheerful, optimistic works of art.

Each 3D object is elaborately handcrafted, titled and signed by hand in pencil. Framed in a solid wood display case frame, glazed. Size 25 x 29 x 4 cm (h/w/d).

The picture is titled in German "Über den Berg".
