Product no.: IN-688254.R1

Already during his lifetime, "The Eternal Bridegroom" was the painter's most popular subject: gallantly, the suitor hands a bouquet to his beloved. Spitzweg painted the motif several times with slight variations at the urging of his collectors.

Original: Oil on canvas, privately owned.

High-quality reproduction using the Fine Art Giclée process, handmade on artist's canvas in a patented process and traditionally stretched on a wooden stretcher frame. The motif surface with a tactile and visible linen structure and an additional hand-applied brush structure imitating the original emphasises the painting-like effect of the object. Sealed with artist's varnish. Framed in a fine handmade solid wood studio frame in antique platinum with reddish-brown. Limited edition of 199 copies, with numbered certificate on the back. Size 58 x 36 cm (h/w). ars mundi Exclusive Edition.
