

Jochen Bauer: Sculpture "Penguin with Young", bronze

€2,280.00

Product no.: IN-687495

The penguin symbolises like no other, the fact that parents are the best people to cuddle up with, that they are the perfect place to hide from storms and weather and to be taken "under the wing". Jochen Bauer's penguin group convinces with its modern emphasis on clear lines and shapes and yet is a tender symbol of motherly care.

Sculpture made of fine bronze, cast by hand using the Lost-Wax-Process. Elaborately patinated by hand and partially polished. Limited edition of 299 copies, numbered and signed. Size 19 x 25 x 15 cm, weight 4 kg.
