With his works, the artist conveys good-humoured "life impulses": with a twinkle in his eye, he transforms meditative, motivating and humorous quotations, aphorisms and worldly wise words into cheerful, optimistic works of art.

Set of three 3D objects "Setting Standards", "Done", and "Steps to Success": Each work is a unique piece and is elaborately handcrafted by the artist himself, titled and signed by hand in pencil. Framed in a 5 cm deep solid wood display case frame, glazed. Size each 29 x 25 cm (h/w).
