

FreyWille:

Stud earrings, "Cabochon - Hommage à Hundertwasser - Street Rivers"

€605.00

Product no.: IN-940801

The colourful HOMMAGE À HUNDERTWASSER collection by FREYWILLE was inspired by the artist's extraordinary, lively designs and their central elements. Hundertwasser's signature street rivers have been artistically translated into the STREET RIVERS design.

Understatement with style: despite their discreet size, the CABOCHON stud earrings made of fire enamel and rhodium palladium are the cherry on top - perfect for any occasion and made to be combined with other pieces of jewellery. Diameter 1.1 cm each.

Each piece of jewellery is a handmade work of art of the highest quality, characterised by the precious material fire enamel. Fire enamel consists of liquid glass with mineral additives, which is melted at very high temperatures with 24-carat gold dust and high-quality colours.
