ArchitectMade:
Wooden figure "Bobby the Dog" - Design Hans Bolling

€129.00

Product no.: IN-902571

Oscar's brother Bobby! It is a timelessly beautiful, Scandinavian design classic, designed by architect Hans Bolling in 1953. The body of the wooden figure can be changed so that he can assume a wide variety of dog positions such as giving paws, walking, sitting, etc.

Walnut wood and leather, handmade. Size 12 x 5 x 12 cm (h/w/d). An attractive gift box is included in the delivery.
