

Leo Leonhard: Picture "Pavement Artist", framed

€428.00

Product no.: IN-734140.R2

Leonhard pays homage to the greats of art history. The painting depicts the "pavement artist" creating Caravaggio's "The Calling of St. Matthew" from 1599. This 21st-century picture artfully quotes the famous work by Caravaggio. The viewer takes part in an art dialogue spanning 400 years, in which Leonhard enters into conversation with his fellow painter Caravaggio, ironically shattering the torpor of museum dignity.
