For Marina Krasnitskaya, childhood is like the feeling of a mysterious, beautiful journey, which she depicts in this work with several highly symbolic objects. The egg symbolises the beginning and the light, while the soap bubbles represent lightness and anticipation. The green colour of the dress symbolises innocence and curiosity. An owl perched on the woman's shoulder symbolises wisdom and support. It protects the woman in the green dress on her long journey.

Edition transferred directly onto artist's canvas using the Fine Art Giclée process and stretched on stretcher frame. Limited edition of 199 copies, numbered and signed by hand on the back. Size 70 x 49 cm (h/w). ars mundi Exclusive Edition.
