

Garden sculpture "The Bather", artificial marble

€1,680.00

Product no.: IN-018108

Glamour just like at the court of the French king. So-called "well-informed circles" at the time persistently rumoured that the graceful Baigneuse des Sèvres director Falconets depicted the official mistress of Louis XV.

Original: National Museums in Berlin - Prussian Cultural Heritage. Paris circa 1764. Marble.

Polymer ars mundi museum replica cast by hand, made of weatherproof artificial marble. Height with pedestal 87 cm.
