

Snake jewellery "Apophis Bangle", silver version

€880.00

Product no.: IN-002810

Light guided the Attic goldsmith in the creation of this serpent bangle: the scales of the coiling body allow the light to refract in a thousand facets - iridescent, the bangle seems to fill with life.

Original: National Archaeological Museum of Athens, c. 4th-3rd century BC.

Jewellery replica in 925 sterling silver. Internal size approx. 7 cm. Snake size approx. 6 x 4 cm.
