

Petra Waszak: Jewellery set "Aten Sun Wheel"

€478.00

Product no.: IN-487870

Under Akhenaten, the life-giving sun was worshipped as the sole deity for the first time. In many cultures, the sun wheel is regarded as a symbol of life and a magical source of power.

A finely forged arrangement made of brass gilded with 24-carat gold. Necklace: pendant with 5.4 cm diameter on a double-strand chain, adjustable length from 47-56 cm, with lobster clasp. Clip-on earrings: 2.6 cm diameter each. Bangle: Colourful arrangement of different coloured agates with garnets and Murano glass elements. Diameter 7 cm, width 3 cm. Made for all wrist sizes, worked flexibly.
