

Set of sculpture "Swift" (silver-coloured version) and decorative column

€730.00

Product no.: IN-901350

This sculpture made of resin is a delight to the eye with its harmonious shape reminiscent of a heart and its shimmering silver-grey colour. This modern design object looks particularly good standing upright.

Sculpture: On a black pedestal. Size 46 x 34 x 15 cm (h/w/d). Weight 3 kg.

Large decorative column: Made of 12 mm MDF, varnished with high-quality two-component lacquer, seams and gaps are not visible. Intended for indoor use. Size 100 x 30 x 30 cm (h/w/d).

Set of sculpture and column.
