Pendulum wall clock "Cambridge" with chain movement / chime

€340.00

Product no.: IN-819426

Precise, highly complex and with a love of detail - the finest clockmaking art is visible with this wrought-iron skeleton pendulum wall clock with an 8-day skeleton chain hoist movement. The clock strikes on the hour with a discreet chime on the bell (without a shut-off function). Size $62 \times 15 \times 10 \text{ cm}$ (h/w/d).
