

Bracelet "Cubo"

€178.00

Product no.: IN-778673

The love of nature and its treasures is the inspiration of Dutch jewellery designer Marc Kolsters. Precious stones and freshwater pearls combined with elements of gold and silver give his creations a unique blaze of colours and special radiance. The high-quality collections are handcrafted and follow the claim to enchant and inspire jewellery lovers with ever-new ideas.

Bracelet "Cubo": A little foray into the world of gemstones. A cool design, spirited in a play of colours of apatite, jade, garnet, amethyst, tiger's eye, smoky quartz and gemstone cubes with rhodium-plated silver. The bracelet is strung on a stainless steel wire. The lobster clasp is made of 925 sterling silver. Length 20.5 cm.
