

Amos Plaut: Sculpture "Pill for Art (Chrome)", bronze

€3,400.00

Product no.: IN-896310

The chrome-plated bronze sculpture "Pill for Art" by the Israeli artist Amos Plaut is a special discovery. It brings the power of art radically to the point. Art can calm or stimulate the senses, relieve pain, expand consciousness or provide security. Get an art pill, we'll write you a prescription! But be aware of the risks and side effects: Art can greatly increase the desire for even more art.

Sculpture in bronze, chrome-plated. Signature on the back. Diameter: 30 cm.
