

Maykel Herrera: Picture "A Man and his Car", framed

€880.00

Product no.: IN-715718.R1

Under the Caribbean sun: Herrera's Cuban snapshot. His street scene from present-day Havana is immediately reminiscent of the American hyper-realism of the 1970s. The large-format snapshot is realised with the utmost accuracy and with sovereign lighting.

Giclée on artist's canvas. Limited edition of 299 copies, numbered on the back. Mounted on a stretcher frame. Size 130 x 89 cm. Framed in a sophisticated solid wood studio frame with a shadow gap. Size 134 x 94 cm.
