Although he went completely deaf at an early age, Beethoven (1770-1827) created the most powerful musical compositions of all time. The portrait of the epoch-making composer has been created as an artistic relief made of the finest Thuringian bisque porcelain. Finely polished by hand and mounted on a black passe-partout, handmade frame made of ramon wood with veneered bird's eye figure. Size 11 x 10 cm (h/w).
