A morning in the early summer. A delicate mist still embraces the silence of the landscape and wraps it in a sea of dewdrops. Soon the veil will give way to the power of the sun, and a new day will emerge from the dreams of a night. Fantastic and real, spiritual and philosophical, the artist Ule W. Ritgen enriches his pictorial compositions with profound aspects, blurring the boundaries and opening up new perspectives for the viewer.

Giclée on artist's canvas, 2009. Limited to 199 copies, numbered and signed by hand on the back. Mounted on a stretcher frame. Size 70 x 106 cm (h/w).
