**Marc Chagall:****Marc Chagall Collection by Bernardaud - Set of 6 plates with artist's motifs, porcelain****€692.00****Product no.: IN-744219**

Throughout his life, Marc Chagall saw the choice of colours as a way of expressing himself. "Painting is more necessary to me than food. It seems like a window through which I could have taken flight toward another world," Marc Chagall explained.

This feeling is inscribed into his pictures and drawings with watercolours, and pastels that are not as well known. The selection for this collection - a bouquet, dancers and acrobats, and painters with their colour palettes - doesn't just seem to address a dream world but also the brave witness of the unexpected. "It is life that creates the contrast between the unimaginable and the imperfect," Chagall said.

To renew and share these "communications" with the world, illuminated by a modern gaze, the Chagall Committee has commissioned a reproduction on porcelain from Bernardaud.

6 individual plates, each decorated with one of the many poetic, fairy-tale motifs from the artist's oeuvre: "Le Lac des Cygnes" (Swan Lake), "Rencontre" (Encounter), "L'Acrobate au Bouquet" (The Acrobat with Bouquet), "Le Bouquet" (The Bouquet), "Double Visage Bleu et Jaune" (Two Faces in Blue and Yellow) and "Le Peintre à la Palette" (The Painter with Palette). Diameter of each plate 26 cm. Dishwasher safe. Only available as a set. © ADAGP, Paris, 2015 - Chagall ®
