

Garden sculpture "Panther", bronze

€1,880.00

Product no.: IN-877584

This large predator expresses pure power, elegance and alertness in every movement. Even when hunting prey, it shows off its skills to perfection. The smoothly cast surface of the bronze emphasises the muscular physique of the panther and is reminiscent of its shiny fur. Size 31 x 91 x 18 cm (h/w/d). Weight 11.5 kg.
