

Ado Santini: "The Bust of Jesus", artificial marble on wood

€4,235.00

Product no.: IN-345973

A real sensation: for the first time, the Vatican granted permission to an artist to produce a full-size replica directly in the face of Michelangelo's world-famous Pieta. For Santini, who is famous for his speciality to sculpt right down to the smallest detail, this was a lifelong dream come true. A cast of a very special quality for lovers and connoisseurs of sculpture.

Limited, signed and numbered world edition of 600 copies made of alabaster marble, socketed on a black wooden plate. Size 60 x 75 x 33 cm.
