€470.00

Product no.: IN-781599

This atmospheric and masterful nude from 1897 shows a young woman asleep. Renoir had already given up on contours and instead painted with long, soft brushstrokes that overlap and flow into one another to give the skin a matte shimmer.

High-quality reproduction, worked by hand on artist's canvas and mounted on a wooden stretcher frame. Framed in a real wood solid frame. Limited edition of 499 copies, with a numbered certificate on the back. Size 64.5 x 80.5 cm. ars mundi Exclusive Edition.
