

Sculpture "Gautama Buddha", bonded bronze

€940.00

Product no.: IN-005057

The enlightened one dwells in the redemptive space with an ecstatic expression on his face and an indrawn gaze. Indian Buddhism found its Burmese sublimation with this fully spiritual figure.

Original: Staatliche Museen zu Berlin - Prussian Cultural Heritage, Museum für Indische Kunst. Kampenpnet Burma. Bronze. 19th century.

Polymer ars mundi museum replica cast by hand, with a bronzed surface. Height 31 cm.
