

Ceramic figurine "Lucky Elephant"

€228.00

Product no.: IN-891837

The effort that goes into these colourful ceramics is enormous. The basic form is finished with fine decorative details, which are then hardened in a first firing. Then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

Colourfully decorated lucky elephant with its trunk joyfully raised in the air. The elephant's skin is elaborately detailed, headpiece and blankets shimmer in many colours and are partly gold-plated. Size 14.5 x 11.5 x 18 cm (h/w/d). Weight 1 kg.
