They originate from Uruguay and are among the most beautiful examples of folk art there. The effort that goes into these colourful ceramics is enormous. In a first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

Ceramic figurine "Owl Flying": The feathers of the silent huntress are transformed into artistic ornaments. Colour settings and accents make the figurine a highlight of ceramic art. Size 13.5 x 6 x 9.5 cm (h/w/d).
