The spectacular tightrope walking performances of the Swiss artist family Ludwig Knie at the town hall square in Thun inspired August Macke to create a series of works. The artist captures the balancing act in expressive colours and a tense composition of rising and falling lines. Original: c. 1913, oil on canvas, private collection.

Reproduction in Fine Art Giclée on artist's canvas, mounted on a stretcher frame and framed in solid wood. Limited edition 499 copies, numbered on the back. Size 65 x 50 cm (h/w).
