

SIME: Sculpture "Elephant", bronze version

€3,180.00

Product no.: IN-804930

SIMES' elephant sculpture is characterised by its clear form and reduced mode of representation. The artist concentrates entirely on the essential features of his motif and abstracts its characteristic traits. At the same time, the naturalness of the proportions is always preserved, and the sculpture radiates dynamism and aesthetics.

Edition in bronze, cast using the Lost-Wax-Process, patinated and polished by hand. Limited edition of 499 copies, numbered, signed and hallmarked with the foundry stamp. The tusks are gilded with 24-carat gold. Size 14 x 23.5 x 9 cm (h/w/d). Weight 2 kg. ars mundi Exclusive Edition.
