

## Garden sculpture "Owl Tree", bronze

**€2,080.00**

**Product no.: IN-898032**

Wisdom and understanding of the world are attributed to the owl. No wonder it often sits motionless and yet attentive, closely observing the hustle and bustle around it. This also applies to these two bronze copies on and in their tree stump. The sculpture might find its rightful place in your garden, where you too can retreat to a deeper contemplation of the course of the world (even if it is through intensive newspaper reading).

Bronze sculpture, cast using the Lost-Wax-Process, chiselled and patinated by hand. Size 70 x 28 x 27 cm (h/w/d). Weight approx. 11 kg. Can be fastened using the threaded pin supplied.
