€398.00

Product no.: IN-686662

With an outstanding painting technique and a fair amount of humour, Biedermeier master Carl Spitzweg created his typical genre pictures. Here he skilfully focused on scientists, pharmacists and chemists.

Original: 1860, oil on canvas, 36 x 38 cm, Staatsgalerie Stuttgart.

High-quality reproduction using the Fine Art Giclée process directly onto the artist's cotton canvas and stretched on an adjustable solid wood stretcher. The canvas structure is tangible and visible. In addition, the brush structure of the original has been intricately applied by hand. Framed in a solid, handmade real wood frame in antique gold. Size 45 x 47 cm (h/w).
