

Volker Kühn: 3D Picture "The First Million", framed

€320.00

Product no.: IN-761623

This artwork is known to be the heaviest. "No need to lose your sense of humour", says Volker Kühn, who takes an artistic light-hearted look at many life situations in his extensive oeuvre. The starting signal for the first million is this object with unique character, handcrafted, titled and signed by hand. Solid wood display case frame, glazed. Size 29 x 25 x 4,5 cm (h/w/d).

The picture is titled in German "Die erste Million".
