

Amedeo Modigliani: "Tête I", 1911-12

€68.00

Product no.: IN-685723

He was the "Bohemian" par excellence. Modigliani knew no boundaries and cared little for conventional doctrines. This is how he found his very own, unmistakable style, which still looks as modern today as it did 90 years ago.

Figurine made of hand-painted, porcelain-like resin cast. Height 20 cm.
