

Antje Lindner: Necklace "Sea Sun"

€380.00

Product no.: IN-854943

The artist Antje Lindner creates jewellery inspired by the diversity and forms of nature.

The blue lapis lazuli beads of the "Sea Sun" necklace, for example, are reminiscent of the deep ocean in which a 24-carat gold leaf starfish is made of high-quality 925 sterling silver shimmers. Each necklace is handmade. The practical hook clasp in 925 sterling silver allows an easy adjustment of length between approx. 42-50 cm. The starfish has a diameter of approx. 6.5 cm.
