

Johann Baptist Lenz: Sculpture "Owl Family", bronze version

€1,890.00

Product no.: IN-769937

Abstraction with a wink: The "Owl Family" seems almost playful despite all its deliberate abstraction. The actually curved owl bodies have been reinterpreted as a simple column shape, remaining immediately recognisable as such.

"Owl Family" as a bronze casting. Edition in bronze on a diabase base, patinated and polished. Cast by hand using the Lost-Wax-Process. Base size 21 x 3.5 x 27 cm (w/h/d), height of the sculpture 23 cm, weight 8.85 kg. Limited edition of 99 copies, numbered and signed. Exclusively at ars mundi.
