

Leonardo da Vinci: Picture "The Last Supper" (1495-1498), framed

€1,280.00

Product no.: IN-419070

For this world-famous fresco in the refectory of Santa Maria delle Grazie, Milan, Leonardo tried an innovative painting technique by painting oil tempera directly onto the masonry. However, after only a few years, the picture, which is over 9 metres wide, began to crumble, so that even after extensive restoration, the work is only preserved in fragments today.

The master carver Andreas Mussner from Val Gardena, famous for his woodcarvings, created this world-class work of art as a relief from solid, carefully selected sycamore maple. Pure handicraft, painted by hand, each piece is unique. Size 27 x 47 cm (h/w).
